INFORMATION WIOA Section 101(d)(9) requires the state workforce board to approve develop and approve the allocation formulas for the distribution of funds for employment and training activities.

MOTION Motion to approve the funding methodology for WIOA funds for Program Year 2017.

SYNOPSIS On May 5, 2017, Congress passed, and the President signed H.R. 244, the Consolidated Appropriations Act, 2017, which extended federal spending authority until September 30, 2017, which is the end of the federal fiscal year. Because the WIOA program was not funded for an entire program year, the State Workforce Innovation Board is unable to determine the funding through the end of the federal fiscal year; therefore, the Board will only be able to approve the methodology until its fall meeting.
