## AGENDA ACTION REPORT

**MEETING** January 24, 2018 – SWIB Meeting

**ITEM** WIOA Funding Update and Discussion

**ACTION REQUESTED** Action Item

**PRESENTED BY** Erin Weisgerber, Bureau Chief

**INFORMATION** Congress must pass a budget or a continuing resolution by January 19, 2018. It passed a number of continuing resolutions to fund the government throughout 2017, which made it difficult for the full SWIB to approve the funding allocation for the programs it administers throughout Montana. Erin Weisgerber will give an update on the current contracts in place and ask that the board approve the funding for those contracts through Fiscal Year 2018.

**MOTION** Motion to approve funding for current contracts through Fiscal Year 2018.
