- Youth, adult and dislocated worker enrollment is based on appropriate eligibility criteria, client need and programmatic considerations.

- 1 • Program eligibility enrollment occurs for adults and dislocated workers when a service beyond self-
2 service and informational activities have been provided.

3 **Participation:**

- 4 • WIOA Registration or formal enrollment indicates eligibility has been established and, for adults, priority
5 for service has also been established. The priority for service is to be distinguished from priority for
6 covered persons. Priority for covered persons applies to all populations, whereas priority for
7 individualized career and training services in instances of limited funding applies to adults only.

8 **Administrative Requirements:**

- 9 • Service providers must input application information into MWorks within 7 days of receipt.
10 • Service providers must record eligibility determination in MWorks within 7 days of the determination.

11 **Monitoring and Evaluation:**

- 12 • A formal monitoring will be conducted on an annual basis by the entity designated by SWIB.
