

## **Summary of Changes to WIOA Youth Policy**

Date:11/01/2018

As a result of the May 2018 meeting with Evan of the US Department of Labor, the WIOA Youth Policy was reviewed and revised. (The current policy was due for review in November 2018.)

**Background:** No change

**Policy:** This policy now features continuous numbering.

Lines 65-67: Added note that “...not more than 5 percent of ISY newly enrolled in given program year may be eligible....”

Lines 103-110: Added language around the definition of “low-income individual” and criteria related to free and reduced lunch

Line 330: OJT is now listed as youth service

Line 372 – training services: removed OJT

Lines 406-505: Updated language to align with federal code, 20 CFR 681 (Youth activities), and federal guidance letter, TEGL 21-16. Added an introduction to this section. Focused on literacy/numeracy; tying incentives to education, training and work experiences; and related documentation. Moved away from incentives for attendance and GPA.

**Administrative Requirements:** No change

**Other considerations:** Removed funding section, updated and/or fixed link
